

Where Courage Meets Community: United in Action 2026

Dear Friend of AJSOCAL,

We hope you are safe and well during this deeply challenging time. From mounting attacks on legal immigration and pathways to citizenship, to raids in our own neighborhoods, our communities are living with fear, uncertainty, and real threats to their safety. Families are being torn apart. Rights are under attack. And the need for trusted legal support has never been greater.

These moments remind us of how urgently your continued support is needed to protect our communities and defend the dignity of our clients.

Asian Americans Advancing Justice Southern California (AJSOCAL) is one of the nation's largest civil rights and legal services organizations serving Asian Americans and Pacific Islanders (AAPIs). Each year, we serve more than 15,000 individuals, combat anti-Asian hate, and advocate for policies that strengthen our communities.

As immigrant families face constant attacks, AJSOCAL is on the frontlines providing free legal services, expanding multilingual hotlines, and distributing know-your-rights materials in multiple languages. Every day, we ensure our clients are not alone, their voices are heard, and their dignity is protected.

This work is only possible because of supporters like you. That is why I invite you to join us for this year's United in Action Gala on Thursday, October 22, 2026. The evening will feature a VIP reception and seated, multi-course dinner, bringing together leaders from law, social justice, arts, and entertainment to celebrate our resilience and collective strength.

Gala proceeds provide vital general operating support, allowing AJSOCAL to respond quickly to emerging crises and meet the needs of our most vulnerable neighbors. In today's climate, this flexible support is more important than ever.

By supporting the gala, you stand with immigrant families, survivors, workers, elders, and youth who rely on AJSOCAL for protection, advocacy, and hope. When our community is under attack, your support ensures we are ready to respond.

I hope you will join us in this critical effort. Together, we can build a future rooted in safety, justice, and opportunity for all.

With deep gratitude,

Dahni Tsuboi
